CLUB PINS AVAILABLE

Club pins are only \$5 each (pictured right).

Buy a couple so you don't have to be changing them from one jacket to another.

Pins are available from Alicia or Dalene.

Membership Meetings are held on the 1st Thursday of the month, 7:00 PM, unless it's a holiday. Check NSN to be sure.

Driving Directions to Manhattan Community Hall Meetings:

From I-5 driving north: Take the Orilla exit, turn left at end of exit, follow S 188th on across Highway 99 and through tunnel under the runway; stay on this road, which becomes Des Moines Memorial Drive, until you come to the light at 8th Avenue S, turn left, then right on South 186th, right on 4th Avenue S., and right on South 183rd (which is really a dead-end gravel driveway at this point), drive to the end to Manhattan Community Hall.

From I-5 driving south: Take the Orilla exit, turn right, follow from S. 188th above. If lost, call the hall at 206-403-9900

On the previous page are the pictures taken by Lorrie Nerney at our auction in November this year. Hope you could follow her line of text...you should have seen how it looked before I moved all the pictures to the left, a real maze. All my fault, not Lorrie's.

This is a GSD drawing by Syd Mailberg I found in some of my old NSN material. She was such a talented artist. She traded me for an afghan I made in return for a lovely head portrait of Seattle Slew. I believe she also drew our club logo on the front page of the NSN.

Cruising through the GSDCA web site looking for election results, I was surprised that the number of ballots submitted this year was only 739, the number was 742 in 218.

Then I began looking at other years (2014 through 2017) and was surprised those years had over 1,000 votes submitted. all of a sudden in 2018 and 2019 the amount of ballots dropped by over 500 from the previous 4 years. Did the membership drop that much or is it just indifferent members who don't take the trouble to cast their vote?

Actually, I was looking for the dues amount (I am a lifetime member of the GSDCA, but I still have to pay for the Review). I looked under the members' section, under the Review, Apply for Membership (which had the amounts for new members, but not my category, but it didn't say where to send your dues for any category), Why join the GSDCA?

Wouldn't it make sense to have that complete information in all of the above or anywhere there is a mention of "membership? It doesn't have to be changed every month, consequently, having the information in multiple locations would sure make it easier for members to check to see how much they have to send in.

Now, guess where I found the amount? On the last page of our own NSN! I wonder where I ever found that application to put it in there...I did find a mention of \$56/year for just the Review which I am going to assume would be my category.

Okay, Laura Gilbert just told me where it was when I emailed her in my frustration. You'll never guess where the renewal information is? I am only mentioning it here in case some of you will be needing to send in your dues. Go to the GSDCA web site, go into the members' section and it's under STORE, and I only owed \$45. Now isn't that logical??? Maybe they could put a few hints in other areas...

My big excitement for the month was finding one of those dust pans that have a handle on them. That way I don't have to bend over to sweep the dirt in it. I sweep my kitchen every morning and it never fails that when I think I am through I see another piece of kitty litter and I usually end up having to bend over 2 or 3 times. Now this one just sits there by itself and I never have to bend over even once. Love it!

Coming Events

Club Meeting - December 5

December 5 Meeting: - Club's annual Christmas Party and gift exchange where a good time is had by all. Plus we have a really great dinner (the club supplies the meat entree, members contribute a side dish). -

January — No Meeting, Winter Break

Your **Dues will be due** in January , 2020, so send in your dues before January 2, earlier would be nice. Remember, you'll owe \$10 for each month you are late.

February 6, 2020 - Plaque Awards.

Send copies of AKC titles you have won in 2019 to Kerry Southern by January 10.

Hope you are rested up from all the holidays...it will be time to start thinking about the specialty shows in May; catalog ads and trophy donations have to be taken care of several months before the shows.

March 5 Meeting - Making dog toys

April 2 Meeting - TBA

MAY MEETING will be on APRIL 30 (in place of meeting in May because May date would be 1 day before the specialties begin).

Unless otherwise noted, all meetings begin at 7:00 PM.

New Rewards Received at November Meeting:

Pictured above are two members receiving their first gift from President Donna Gonzalez through the club's point system, a green polo shirt - forest green is one of the club colors — green and gold. On the left is Patti Burns and on the left is our club secretary Alicia Olson. Members earn points toward a list of gifts by attending meetings and working at/or supporting club activities, serving on the board, acting as chairman for various committees, etc. A list showing how many points you need to earn to receive the various items was in the October issue of the NSN. We're going to try and publish the list every 4 months so you can keep track of the various totals, along with the point totals of those who have earned 200 or more points.

The above polo shirts require 250 points with the name of the club embroidered on the front with a GSD inside the circle the name makes (if you squint, you can see it on Alicia's shirt above). The next gift at 500 points is a very nice green jacket with the same embroidery on the front and then across the back is embroidered the name of the club. So every 250 points you earn means another step up the "gift ladder". Until you have 1,000, then they go in 500 point increments. Be sure to check out the list in the January issue to see what all is offered. At present we have 18 members who have earned gifts and 8 who have earned 4 or more.

Lorrie keeps track of the points through lists given to her by the chairman of each activity. When she sees someone is up for a new gift, she lets Cindy Stratton know who then orders the item for you and it will then be presented at the next meeting you attend after it is ready

If you are curious to see where you stand in the system, email Lorrie and she can give you your current point total.

**DUES ARE DUE ON
JANUARY 1**

Meetings are held on the
1st Thursday, 7:PM, of
the month except no
meeting in January & July

On the previous page there is a picture of the Christmas tree Amanda had at last year's Christmas party. I put the year on the picture so you wouldn't think this year's party was over and you missed it!

She and Theresa always do such a nice job of decorating for that meeting...really puts you in the Christmas mood. Don't forget to bring an exchange gift if you want to participate in the gift exchange after dinner. See page 9 for ad for Christmas party.

Here's a cutie I received through Face Book. If I weren't so lazy I might try it for a week or two myself. However, in this day and age, I might be contacted to take care of someone some person wants to get rid of.

Since I have started packaging my trash like this, my neighbors respect me. They say "good morning" with a smile and keep the music volume real low.

My neighbor sent me an email with a video of a Belgian Malinois going through it's paces. It is incredible what this dog was able to do, but all the while I was watching it, I kept thinking about the injuries this dog must have gone through learning to do these feats!

On page nine there is a short article on just what does Breeder of Merit mean, and how does a breeder become one?

Thanks to those who supported the NSN and the Season by putting in an ad in this December issue: Lorrie Nerney and Amanda Hackbarth.

My neighbor Lisa sent me quite a few pictures of GSDs (mostly in service) so you'll be seeing them for the next few months. Some are cute, some are sad, some are funny. You can see some of them on pages 11 and 12.

Why did you join the GSDC of Washington State, and why are you still a member? Something changed somewhere along the way as we have more than 20 members we seldom see at our meetings. I know some of you may have health problems, but let us know. Look at John Sadler, he makes it over from the peninsula almost every month and he just had his 84th birthday in August. Kudos to you, John, for making the effort so often. We all look forward to seeing you. Your cheerfulness is a balm to the meetings.

Sidebar: Do you ever pay attention to the sidebars in magazines, including the NSN? This is usually where contact and other club information is. In our case the one on page 1 contains contact information for the officers and committee chairs; on page 2 there is the table of contents, club pin information, and driving directions to our meeting location (Manhattan Community Hall); and on page 3 there is information about future meetings and coming events.

Be sure to check out the board minutes on pages 10-11 to keep up on club events, etc. There was no membership meeting in November (we had the auction), and there won't be a membership meeting in December since that will be our annual Christmas party and gift exchange, always a fun event, and no membership meeting in January as well, too close to New Years Day. See you at the December meeting?

OBEDIENCE TRAINING AT YOUR CONVENIENCE

Have a young or old dog to train in obedience? Can't find a class that's convenient for you, whether it's location or time of day? These three DVDs are your answer.

Dogs can begin formal training at 12 weeks of age and any time thereafter — a dog is never too old to learn.

These three DVDs contain all the novice obedience exercises based on the Koehler Method of Obedience who trained for Walt Disney for over 20 years:

Even though AKC has added 2 new Novice classes, the basics taught on these DVDs will still make it possible for you to compete in all three.

- Novice Obedience Class,
- Preferred Novice Class,
- or Beginner Novice Class.

This Novice training will also teach your dog the basics for any other training you are interested in pursuing later on.

OR

Whether you wish to show or not, these same exercises will give you a well-trained dog to be your lifetime friend and companion.

You can buy the DVDs for \$75 and train by yourself (at your convenience), or call and set

Training Without Treats!

up one or more private lessons if you wish (first one is free), — either to get you started or to check on your progress after working with the DVDs for a few weeks — at \$30 each.

Using the DVDs, you can train when it's convenient for you, no worry about missing a class and getting behind. You can watch a segment over several times until you're sure you understand it before working with your dog. You can also call me if you have any questions (no charge).

Once your dog knows the exercises, you can take him/her out to work in public to learn to work around distractions instead of learning to ignore distractions AND trying to learn his lessons at the same time.

The Koehler Method gives you reliability without bribing your dog with food. I have used Koehler's training and taught it for over 50 years with great success; my students have had great success as well, many going on to compete well in other venues.

PRICE - \$75 for complete DVD set (*plus \$5 postage*)

Newsletter:

Dalene - It seems a few people couldn't open their copy of the NSN last month so I am going to make the mailing for each section smaller in the future to see if that will help. I know it takes longer for the email to leave my "sent" box the longer the email list is. Originally, I sent the NSN out to everyone in one email, but they would never go through. Dividing the list into 3 helped so now I'll go to 4 to see if that is an improvement. Also looking for articles from members, see the December issue for details. The Litter Box is alive and healthy if any of you have litters to list in it.

Old business:

- Need two easy-ups.
- Laura is filling out the Regional club survey.
- Waiting to see if PNW club will be selling some of their items, Donna will see if they have anything our club may need.
- Send this year's award certificates that you have earned to Kerry so you can receive a nice plaque at the Feb 2020 meeting.** Plaques: The club will purchase one plaque per dog per year if they earn a title. If the title is AKC recognized you can have that title put on the plaque. You can add on non AKC titles along with your titles at no charge. If you have only non AKC you need to pay for the plaque. Non AKC titles include: CGC, Trick dog, TC, Herding instinct test. If you want more than one plaque for the same dog you will have to pay for them.

New Business:

- •Feb of 2020 there will be a general membership meeting held after awards and possibly guest speaker before the awards confirming with them now.

Next board meeting: Dec 16th 2019 7pm @ Dennys

Adjournment: There being no further business the meeting was adjourned at **8:50PM.**
