Did you wash your paws?

I love this picture sent in by Barb Donahey; very appropriate for after Thanksgiving dinner. The puppy is adorable and the look on the adult's face is loving.

Please share the notice on page 13 concerning Tank, a black Lab service dog that was taken from his owners, reward is offered. I originally put the information on the first page, but it's been several weeks now since Tank disappeared and hopefully there have been new results. Just in case he hasn't been found yet, I moved it further back in the newsletter to page 13. Thanks to Colleen Brown for helping in getting the word out.

Time for confession: in making my own family calendar, I noticed April didn't have the correct dates on it. So I went to the club's calendar (I use the pages with the months on them for the club's and my calendar). So I quickly checked the club's calendar (of which we have sold all but one copy) and found it was not correct either. My solution: I am putting the correct page at the end of this newsletter. Anyone who bought a copy of our 2021 calendar can just print off that one page and then paste or tape it over your wrong page. The top and/or bottom of the page will need to be trimmed a little so it won't hang over the original page. The side-to-side dimensions are fine. I have to do that for 11 copies since I buy and send a bunch to friends who aren't club member, so I made a lot of work for myself as well.

For my copies, I trimmed off a little less than 1/4" from the top, then used clear scotch tape to tape it on top of the wrong one, and if you want to be really fancy I poked a hole at the bottom for when that page is going to be hung up when May comes along. If you make a mistake, just print out a new copy and try again. It doesn't look bad.

My apologies to everyone who bought calendars. For once we made a decent profit on the calendars so I didn't want to go WAY in the hole and have them all printed again. But I was able to add the club's Sanction Match on April 18th which wasn't known at the time I made up the original calendar.

As I mentioned last month, Betty Winthers was kind enough to pick up our second-place rosette we earned in the newsletter contest. She mailed it to me a few weeks ago so I could include it in this issue and you will find it on 4.

Check out the board minutes for more information on club activities and about the January meeting. It will be a Zoom meeting so members will be able to call in. At least we know this one won't be cancelled because of the Covid 19. Alicia will send out instructions before the meeting on how to join the "crowd" on January 7.

**Next Club Meeting
Held at Manhattan Center in
Burien when the building is
open again. See directions to
hall on pg 2.**

We're hoping to be able to have a meeting in January. If the hall isn't open still, the board is considering a meeting via Zoom, so keep tuned as Alicia will let you know.

Catch up with club activities such as they are now days in the Board minutes , check pages 11 and 12 to see what is going on — or not.

The **Herding Test** in August was cancelled for this year by Ewe-Topia and will be rescheduled for next year, 2021.

You'll be receiving notices from Alicia on club events, plus you can always check out the club's web site (GSDCofWA.org) or Facebook page ([GSDCofWA, Facebook](https://www.facebook.com/GSDCofWA)).

Unless otherwise noted, all meetings begin at 7:00 PM.

Tidbits by Dalene

Let's hope someone finds Tank (mentioned on page 13) soon...what a great Christmas present that would be for his owner.

I don't know about you, but this cold, rainy weather is getting to me. If it weren't for my Seahawk scarf I'd freeze.

Speaking of the Seahawks, they came back to life winning their last two (?) games to stay among the top teams.

The Clark County all-breed shows and the shows the GSDC of the PNW were planned for the first weekend of December, but were cancelled because of the Covid restrictions.

Crufts in England was moved from its usual date of March 11-14 to July 15-18, 2021, because of the pandemic.

I bought a new Christmas tree this year, it doesn't have lights on it (I've had 2 or 3 of those and the lights burn out), and it's only 6' tall so I can decorate the top of it without climbing up on a ladder or chair. There is a picture of it on page 8 when Wrangler and Shadow pitched in to help put on the lights.

Do you know what a shock it is to dial your own phone number (I was trying to find my cell phone) and have someone answer it? It took me a little while to recognize my neighbor's voice. I knew she wasn't in the house, so I must have dialed her number by mistake, but it sure had me going for a bit there, wondering how anyone else could be in the house.

One of the buyers of my 3-DVD set bought two of them, one for him and one for his son. He brought me into the present by paying me through Zelle which I had never done before. Between him and the bank, I finally set up my account.

We Rate Dogs on tv has 9 million followers. They also raise money with great success for dogs needing medical attention. I saw it on a Friday night, but the name of the show is "Sunday Morning Pet Project". They had a really interesting bit on the family of Steve Irwin who was killed accidentally by a sting ray. His family is running their "farm" if you can call having alligators a farm.

Another bit on dogs owned by past presidents which was also interesting. As far as I could tell, this is either a new program or a rerun of it, but it was listed on my t.v. guide on channel 7. I just looked it up again and there was a program of it today (29th) as well and it didn't have anything to do with dogs. If you have the capability to watch it for November 27, you will enjoy them. If not, my apologies again.

Gina Grossman and I played around with doing a Face Time chat today. She has an appointment with a doctor during the week

that will be via Face Time and she wanted to try it out first. That's a lot like the blind leading the blind, but we did get it to work. I hadn't done it before either so it was a learning situation for both of us.

If you are a member of the GSDCA, your dues are due by December 31. Check out their rates on their application at end of this newsletter.

Members of our club (GSDC of Wash. State), **your dues are due by January 31, 2021.** They will be considered delinquent if not paid by the February 4 meeting - see details on page 15.

The GSDCA rosette we won this year for 2nd place in the newsletter contest is on the right. Not much different from all the others we've won except for the color of the button in the middle of the rosette and the rosette itself... guess it just depends on who made them up.

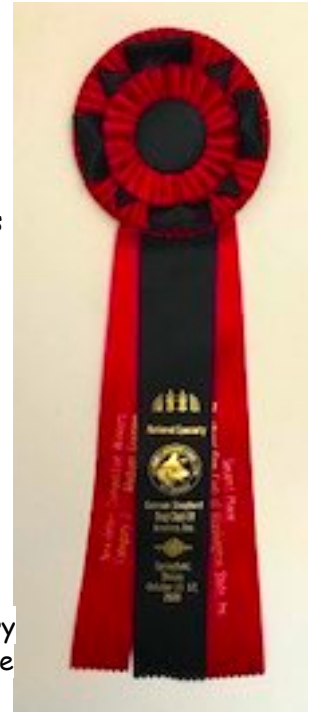

Thank you Colleen Brown for sending me her comments and compliments...both are always welcome.

Take a look at the email Alicia sent out before our shows in September looking for people to steward and to man the entry gate to the grounds. It isn't difficult to see she has had some experience in getting people together to help out (from PTA maybe?). And a good job she did!

Did you ever read any of the Little House On The Prairie books? I read them all. Channel 9 is celebrating the 85th anniversary of its publication with a film portrait of their author, Laura Ingalls Wilder. It will be shown on December 29 at 8:00 PM. If you miss that one, it will be played again at 1:00 PM on December 31.

Those who have ads on the Business Card page will need to renew by the first of 2021 (\$10 for members, \$30 for non-members). Send money to Treasurer Lorrie, see page 15 on how to pay.

If you have a friend that you'd like to buy a subscription to the NSN for, the cost is \$10/year, or if they would like to subscribe on their own, they can send the money to Lorrie direct. That fee is for those who have an email address I can send it to and not through USPS.

MEETINGS

OBEDIENCE TRAINING AT YOUR CONVENIENCE

Have a young or old dog to train in obedience? Can't find a class that's convenient for you, whether it's location or time of day? These three DVDs are your answer.

Dogs can begin formal training at 12 weeks of age and any time thereafter — a dog is never too old to learn.

These three DVDs contain all the novice obedience exercises based on the Koehler Method of Obedience who trained for Walt Disney for over 20 years:

Even though AKC has added 2 new Novice classes, the basics taught on these DVDs will still make it possible for you to compete in all three.

- Novice Obedience Class,
- Preferred Novice Class,
- or Beginner Novice Class.

This Novice training will also teach your dog the basics for any other training you are interested in pursuing later on.

OR

Whether you wish to show or not, these same exercises will give you a well-trained dog to be your lifetime friend and companion.

You can buy the DVDs for \$75 and train by yourself (at your convenience), or call and set

Training Without Treats!

up one or more private lessons if you wish (first one is free), — either to get you started or to check on your progress after working with the DVDs for a few weeks — at \$30 each.

Using the DVDs, you can train when it's convenient for you, no worry about missing a class and getting behind. You can watch a segment over several times until you're sure you understand it before working with your dog. You can also call me if you have any questions (no charge).

Once your dog knows the exercises, you can take him/her out to work in public to learn to work around distractions instead of learning to ignore distractions AND trying to learn his lessons at the same time.

The Koehler Method gives you reliability without bribing your dog with food. I have used Koehler's training and taught it for over 50 years with great success; my students have had great success as well, many going on to compete well in other venues.

PRICE - \$75 for complete DVD set (*plus \$5 postage*)

FROM AKC

October has been a month of innovation, service and preparation for the AKC.

We were happy to announce the launch of our Virtual Home Manners Program. The program is designed to help teach dogs proper manners at home. Teaching their dogs to behave at home is important for owners, mentally stimulating for dogs, and home-based training can take place any time that fits into the schedule of the dog owner. The program will include two levels allowing puppies and dogs of all ages to participate. The tests include manners related to food, walking on a leash, petting, and following commands like sit, stay, down and more. Virtual Home Manners titles will be awarded by CGC evaluators who will review videos of the dogs doing the skills.. Titles will be awarded provided the dog is AKC-registered, enrolled in the Purebred Alternative Listing (PAL) program, or enrolled with AKC Canine Partners. This is a great step towards our AKC. S.T.A.R Puppy and Canine Good Citizen programs. You can learn more about the program [here](#)..

We have also been focused on helping people and animals displaced by natural disasters. In the past five months, eight AKC Reunite Pet Disaster Relief Trailers have been deployed to assist in what has been a record-breaking fire season across the western US. AKC Reunite has donated a total of \$41,000.00 to several animal organizations as they have cared for displaced pets from these fires. Additionally, Louisiana and surrounding states have been hit with multiple tropical storms and hurricanes this year. AKC Reunite was able to donate a total of \$10,000.00 to organizations that were impacted by the storms. We applaud their work and efforts during these most difficult times. Should you want to learn about ways to help their disaster relief efforts, please visit akcreunite.org.

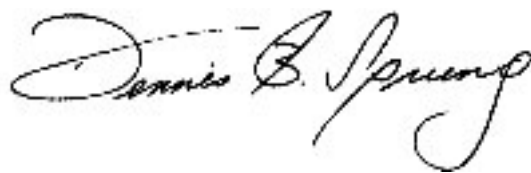

Although this year has been filled with a multitude of challenges unlike any we have ever seen before, the show must and will go on! We

were excited to announce that entries are open for the 20th annual AKC National Championship presented by Royal Canin. We have been working incredibly hard to prioritize the safety of our exhibitors, judges, and staff. While we are following federal, state and local guidelines, we have also consulted and are also implementing additional safety measures, including:

- Face mask requirements on showgrounds (including the parking lot)
- Closing the event to the public
- Elimination of ringside seating
- Temperature checks and signed affidavit/waivers attesting to health
- Mandatory social distancing; including a "show and go" procedure to minimize the amount of interaction between individuals
- Expansion of the grooming area to prioritize social distancing

America's National Championship is made possible because of dedication and a commitment to the sports we love. The show will also be available to stream on akc.tv. We will make these events as safe and as enjoyable as we can for everyone.

As always, the AKC staff is available to assist you, as am I. Feel free to contact me via email dennis.sprung@akc.org or via my cell phone 516-637-6567.

DO YOU NEED A LAUGH?

MISSING SERVICE DOG \$2,500 Reward

Our son's service dog

Tank

was abducted from his
Whidbey Island home on
November 12, 2019.

We have **new information** that he is
in a remote area near Port Angeles.

If you see him or have
any information, please call

360-474-4844

Tank is a very highly trained and
disciplined male black Labrador who
senses our son's blood glucose level and
alerts him when it is out of bounds.
He has saved Mike's life many times
and he needs him back!

PLEASE HELP US BRING TANK HOME!!

Be on the lookout. Share this info with neighbors, family, friends and
on your social media pages – anything helps.

VETERINARIANS: Tank is double chipped.

Get updates on Facebook: <https://www.facebook.com/tankpage>

So we have new developments... if you or anyone you know lives on the Olympic Peninsula, we need your help. If you can help us post fliers and signs between Sequim and Port Angeles (Little Oklahoma and more remote areas in that vicinity), in post offices, gas stations, gun shops/clubs, grocery stores, and mini marts, we need you. Tank's abductor lives in the area and is using him to hunt as part of a larger pack of dogs. It is against the law to keep a found pet (in state of WA). It's also against the law (in WA state) to sell or give away a dog that is not yours to transfer.

Please share this notice anywhere and everywhere. We are getting signs printed and laminated to post up in the area... street signs will go up next week too. This new information has given our search new energy and very pointed direction.

We will notify police, fish and game board, as well as Tribal authorities and appreciate any and all help to get the word out. If you are part of any FB group in those areas, we would be grateful if you would share his info.

There is a reward for his return (no questions asked). Please help us if you can.

Again, the number to call if you have any information on Tank:

360-474-4844

November 21 at 3:30 PM

We just got a call from someone who saw a black lab with a gray muzzle on the side of upper Elwa Rd in a long Street stretch of the road. He had on a red collar. If anybody is in that general vicinity and can go keep an eye out for him we would really appreciate it. Thanks a million!

The picture above left and text was sent to me by Dixie Whitman, from Georgia via Face-book. Let's hope someone will find him soon. I put it in our newsletter because I thought there might be someone in our club or someone they mention it too that could be of help. Keep your fingers crossed for Tank.
